

BANNARAVURI NAGA PRABHU SHRIRAM

Vijayawada | +91-7981978074 | shri8913@gmail.com

SUMMARY

Computer Science student from KL UNIVERSITY with a foundation in programming, CSE, and cloud technologies. Experienced in real-world projects using Java, Python, and AWS. Certified in Google Cloud and Oracle, with strong problem-solving and teamwork skills. Eager to contribute to impactful roles across the IT industry.

SKILLS

Technical Skills: Java, Python, HTML, CSS, SQL, Git, GitHub, VS Code, Figma, MS-Excel.
Cloud & Concepts: AWS, Google Cloud Platform, Machine Learning, DBMS, OOPs, REST APIs, Data Structures.
Soft Skills: Problem Solving, Analytical Thinking, Communication, Leadership, Teamwork, Interpersonal Skills.

CERTIFICATIONS

- AVIATRIX CERTIFIED ENGINEER MULTI-CLOUD NETWORKING ASSOCIATE (ACE-MCNA)
- Salesforce Certifies AI associate
- AUTOMATION ANYWHERE UNIVERSITY CERTIFIED ESSENTIALS RPA PROFESSIONAL

PROJECTS

- **EDA Visualization Suite (Senior Design Project)** [Jan – May 2025]
Built an interactive suite using Python, Pandas, and Matplotlib/Seaborn to perform Exploratory Data Analysis on large datasets. Enabled users to visualize trends, correlations, and distributions with clear visual outputs.
- **Melanoma Skin Lesion Detection (Capstone Project)** [Aug – Dec 2024]
Built a TensorFlow model using InceptionV3 to classify skin lesions (benign vs. malignant) on 100K-image dataset. Pre-processed data with Pandas and Scikit-learn to handle class imbalance, achieving 84% validation and 80% test accuracy, delivering impactful healthcare insights.
- **Online Fraud Detection (SmartInternz Externship Project)** [Aug – Nov 2023]
Implemented ML algorithms (Random Forest, SVM) to detect fraudulent transactions in e-commerce, reducing false positives by 20%. Tested and deployed a real-time prediction model with 95% accuracy.
- **College Management System** [Jun – Aug 2023]
Created a full-stack web application to manage college admissions, academics, and student information. Deployed on AWS EC2 for enhanced accessibility and operational efficiency across departments.

EXTRA-CURRICULAR EXPERIENCE

- **Secretary – Delicacies Club, VIT-AP** [Apr 2022 – May 2024]
Managed club activities including event planning, internal communication, and member coordination. Fostered a vibrant culinary community while honing leadership and organizational skills.
- **External Affairs Lead – CSI Chapter, VIT-AP** [Sep 2021 – Jun 2023]
Led industry outreach and strategic partnerships. Organized tech networking events, expanded the chapter's visibility, and developed communication and event coordination skills.

EDUCATION

B.Tech, CSE	KL UNIVERSITY, Vaddeswaram	7.82 CGPA
Intermediate	Narayana Junior College, Vijayawada	82.8 %
Secondary School	Ravindra Bharathi Public School, Vijayawada	9.0 GPA
